

# UROCON 2026

26-28 February 2026  
Pokhara, Nepal

27th February, Friday - Hall B

## Instructional Course: Suction in RIRS - FANS

### Course Faculty

Dr Deepak Ragoori

Dr Baikuntha Adhikari

Dr Sujan Makaju

Expert from AUSET  
A/Prof Chinnakhet Ketsuwan  
Mahidol University, Bangkok

Course Director  
Prof Anil Shrestha  
NAMS, Bir Hospital

This course aims to provide a clear understanding of suction principles and their role in improving RIRS outcomes. Participants will learn the technique, indications, and practical application of FANS technology from experienced faculty. The session will highlight strategies to enhance visibility, optimize stone clearance, and improve surgical safety.
